On Arrival

It's not everyday that you get married, this special day is one of the most important occasions of your life. Therefore it has to be perfect, from the moment you arrive to the moment you leave as a married couple.

The Piano Lounge area on the first floor, with the renowned Burton marble staircase and impressive 22ft mirror, is the perfect setting for your drinks reception. With our tempting menu of canapes, and your choice of welcome drinks, you have the ideal combination to impress your guests and leave a lasting first impression. You could even make use of the St Leonards Gardens at the rear of the hotel, or beach at the front, to create a stunning setting for your wedding photographs.

You can be assured of our personal attention and that every budget, from a smaller informal gathering to a grand fairytale affair, can be catered for.

Expert advice and guidance is on hand throughout the planning stages and on the day, to ensure the smooth running of your reception from beginning to end. Personal recommendations, in regards to florists, photographers, entertainment etc, can also be provided.

The Ceremony

Both the Burton Suite and Victoria Suite at the Royal Victoria Hotel are approved venues for a Civil Marriage under the Marriage act 1994 and the Marriage (Approved Premises) Regulation 1995.

This allows you to hold the Ceremony, Wedding Breakfast, Evening Reception and even overnight accommodation for you and your guests under one roof.

The Victoria Suite has sea views and its own private terrace with seating for up to 40 guests. The Burton Suite is much larger, with seating for up to 90 guests. Both rooms include floral decoration to suit your colour scheme, and an elegant red carpet for you to walk down the aisle. Our Sea Terrace Restaurant is also a very popular venue for dining options.

Finishing Touches

To ease the stress of planning all elements of your wedding, we have designed packages to make organising those finishing touches a little easier. Whether you need help planning the decoration of the room or tables, or an all inclusive single price for your guests, you can choose from one of our set packages or have one tailor made to suit you. All we need is your budget, preferred colour scheme and we can arrange the following for you:
